Vice Chairperson:

Happy Summer ASC,

I would like to take this opportunity to thank everyone who nominated and voted for me to the Vice-Chair position in our North by Northwest Area. I am very excited to take on this new task, and I would like to remind you all that my willingness and dedication to this Area has not changed. I will fulfill my commitment to the very best of my ability.

Since our last ASC, Doug and I went to Wells Fargo Bank and had the signature cards changed and updated, to move Doug to Chair and myself to Vice-Chair. To date I have not received the Area debit card, however, Doug has his so I am certain this is not a problem.

I have had the opportunity to watch Doug last year performing the GSR Training that goes on prior to our ASC, and I will continue to keep close with Doug and learn how we can help structure the communication between the Groups and their GSR. My wish for this Area is that the GSR's attend the training, new GSR's or ones that are not new, so that we may become more efficient and get greater results. This month my plan is to go over filling out the Literature Order Form since the Treasurer has been having so many difficulties with processing them.

I look forward to learning a lot from Doug, and serving with everyone this year. Thank you for allowing me to be of service to an amazing area.

In loving service,

Lisa S. (918) 605-7143

Treasurer

Dear ASC:

Our checkbook balance through the end of May was \$2592.74. We have a seed fund of \$1500.00 for area and \$1000 for activities. We donated \$437.06 both to the Region and World Service.

Johan gave me a copy of the taxes for 2009 which I have printed and filed.

There was a problem with accessing our account online which I have addressed with Johan and Doug.

In loving service,

Maggie

Secretary

Greetings ASC,

I like to once again acknowledge the great help A.J. has been through this transition process. All is well.

Ted G.

Literature

The literature came in a timely manner this month. Sally G. is helping with filling literature orders this month. Kimberly is on vacation, but said that she will be back to help next month. Since a low number of GSR's are placing orders before the meeting, I'm enclosing a flier to encourage them to pre-order next month. There are usually 6 people pre-ordering, which is helpful. I'd like to see it continue to increase. Thank you, Heidi B.

RCM 1:

Open Forum:

Tammy with PI, H&I reported that St. Vincent wanted to know if we have insurance to cover the panel leaders. The Committee determined that we need to check with our insurance carrier to see how to handle this.

Shelly S. asked about Woman's Spiritual Breakfast and why they didn't list Region 51 on the merchandise or programs or flyers since this is Regional Activity. Suzette W. said she would ask the Committee and get back with the Region in July.

Chair Report:

Our taxes have been filed with IRS. Cost was \$200.00 for accountant to prepare.

Regional Liability Insurance is coming due. Groups who need Proof of Insurance should contact Chris and he will email a copy.

Next Region July 18th at Riverside Resort, Sunday @ 1:00 in Laughin.

The Regional Vice-Chair will not be able to acclimate to Chair as he has some pressing personal issues that take precedence. He was checking into the Storage Unit so this will need to be addressed in July and someone will need to sign the contract.

Secretaries Report:

Submitted Report

Treasurer Report:

Researched on-line banking. We can do this if we decide to. We just need to make a call to the bank.

Tom (future Treas.) discussed making some changes on how we report financials to simplify things. Maybe changing billing cycle to bi-monthly instead of quarterly.

Regional Delegate:

Shelly got to peek at a workshop during her last meeting.

Our Region is in the top 5 Regions for donations to the World. I believe the amount was \$22,000. In the past California had the lead for donations of \$100,000 but that total has dropped to \$25,000.

GSR's need to start thinking about who we can nominate for the next Regional Alt.

We talked about how we can reach more of the Spanish and Asian Communities.

Activities Report:

Day of the Dinosaur's August 21st @ 6200 Oakey/Jones, Easter Seals Building.

We need an Activities Chair. When asked, Janice was not sure if she wanted to continue but she seemed to lean towards yes.

New Years Party will be the function after D.O.D. This committee will need lots of support so please begin thinking about how you can help.

Requested that all Area Activity Chairs please support your Regional Act. Committee.

Regional Convention 2011:

June 3-5, 2011 at the Orleans. Getting lots of free amenities like podium/mic., pool/spa access.

Looking for theme and logo. Come to next meeting please.

Need Treas., Vice-Treas, and Hospitality needs support.

H&I Report:

Need Vice-Chair and Secretary.

Tammy is researching doing Outreach or creating Outreach.

PI Report:

Speakers Orientation Packets printed.

Due to changes in meeting list the cost has dropped substantially. Sorry I didn't catch the exact amount change.

There were 389 calls on Help Line for 2 months. 288 were accepted. 74% of calls were answered. This is down significantly from what we saw last Region. Was 90-95%.

The Regional website Chair is unsure if she can continue.

Stop the Violence Presentation response was fair.

Shelly S. asked how many calls requested Spanish. They will report next region.

Areas:

CANAC:

Expressed concerns to Regional Convention Committee concerning their scheduling of the Convention and how this will affect they're convention for that year. The chair of that Committee said trying to coordinate the date was quite difficult and they apologized for saying that this was certainly not intentional.

I have flyer for their Convention.

NXNWA:

Reported on elections.

Just for Today meeting move.

Brought up Learning Tool but reported that our elections dominated last Area.

Dear A.S.C.,

June 8, 2010

I apologize for not being there in person, however I had another commitment I could not get out of. Well, I attended my first Regional Assembly, as a RCM on May 16, 2010, and the following is my report:

There was discussion on having Region 51 printed on the flyers, program and t-shirts for The Women's Spiritual Breakfast, as they did not print this on their merchandise this year. It may have been an oversight. The chair, Suzette W., stated she would bring this information back to her committee.

Contact Chris B. if you need a copy of the liability insurance for any groups.

Our next Regional Assembly will be held in Laughlin, Nevada @ the Riverside Hotel on July 18, 2010 @ 1p.m.

Elections were held and these are the results.

Chair was not acclimated – had to step down due to illness in family

Activities:

Greetings from the new Activities Chair! I presume we're going to have a bitchin' good time for the next year in the area of Activities. I have come up with a bunch of innovative ideas as well as putting new spins on old standards. I know people are uncomfortable with change so that way we'll have some of the traditional fare we're used to but giving reasons for people who are worn out from the same ol' same ol'. I'll name a few of the biggies but leave some surprises for as we go. I'll read down the list going from the newest ideas to what we're familiar with at the end.

Big Fun Events: Two scavenger hunts - One photography hunt within the city during the daytime, and one mega-scavenger hunt traversing from Vegas to Laughlin to Boulder City. This one will be an all night thing.
Poker Run - This has nothing to do with gambling so don't freak just yet! There are teams that will be given clues for places in the city in order. Each team will arrive at the first one where a person will be waiting with the next clue, and an envelope with a playing card in it. The teams will go from stop to stop figuring out each clue until they come to the end and whichever team has the highest hand wins a prize.
Night Time Events: We'll have an open mic night, Karaoke, a talent show, and an evening or two at the drive-in. I'm working with someone on securing a venue for the performance events and probably throwing in a speaker meeting before each event starts.

Picnics: One with Recovery Olympics with competitions in egg toss, teacup stacking races, water balloons, potatosack races..etc. And a picnic with an international food potluck where people bring food from their nationalities. Dances: Halloween with costume contests and other craziness and St. Patricks Day dance to show that you can still wear green and participate in st. pattys day without getting loaded. Probably pinchers at the door for those people not wearing green. Some kind of bowling.

Usuals: Dopes on Slopes, Camping

WHEW It's gonna be one helluva year. Thank you for electing me Activities Chair and i promise I will do my best to provide great times and memories.

In gratitude and loving service,
Atom B.

H&I:

Dear Area,

NXNW H&I is happy to report that all is well. We still strongly carry the message of Narcotics Anonymous at our four H&I commitments. We are currently looking in to three new avenues: Bringing a meeting into Dapple Grey, a new facility connected to a current rehabilitation, possibly a jail with conjunction to drug court, which we are working on getting a panel of people cleared for, and finally a spanish speaking meeting, which was presented to us by some new H&I members who are very motivated to be of service, on the order of translation. We have instituted our new format, and it seems to be working quite well. We have had great attendance at our monthly H&I meeting and we are very happy to report this. Thank you for your continued support, and for letting me be of service. Anthony B. chair

Progress Not Perfection

Dear ASC,

May 8, 2010

I am submitting this report early due to the fact I will be out of town for ASC. I am sending a home group member to represent our group and make a donation, and purchase literature. Sally will attend. There will be 2 money orders because last month our Treasurer was not able to bring me the money order in time. The amount will be on our literature order as I do not have the totals at this time.

We meet every Monday @ 6PM. We average 50-60 addicts weekly. One treatment center regularly attends so we do have a lot of new comers. We give away a Basic Text weekly to the person with the least amount of clean time, and who needs one.

We have a Step Speaker meeting the first Monday of the month. The Step coincides with the month. On June 7. will speak on the 6TH Step. Our meeting is 1 hour on Speaker meeting night.

Thanks for allowing me to serve, In loving service

Addicts In Recovery "A.I.R."

I was told today by another addict that "every meeting has it's time to be the best and then it must rest". I'm thinking this will soon be the case for the AIR Group. Our attendance has dwindled down to nothing again, and at the same time Serenity Club is raising the rent for the meeting back up to 1 dollar a head which will leave us no room to buy literature or to donate anything to Area. Between the attendance issue, finances, and that two of the three people in service at the meeting now have bigger service on their plate I've discussed with our home group members what we should do. One person said we should fold, move to another area or I should ask the Area what we should do. The other two discussed waiting two months until my GSR commitment is up and then folding. We've tried two flyer campaigns announcing need for service and support, and we moved around for half of last year and it looks like that will be necessary again with the rent issue. In honor of the individual who wanted me bring this to area, if anyone has any ideas i'm open to hear. We didn't get to have an official business meeting last night as our treasurer was filling other service commitments. Next week we'll be having an emergency business meeting to look at the realities of the situation. I'll keep you all posted next month. Thank you.

In loving service,

Atom B.

Sleepless Knights

I'm thrilled to say we're still going strong for our little latenight meeting! We have a range of attendance of 5 - 14 in attendance but always great energy in the meeting. I was out of town for two weekends in a row and I was grateful to have help running the meeting while I was gone. It will be 2 more months before I can make it my homegroup and officially become GSR. At the moment there are still no home group members but i'm staying positive that eventually some people will step up to service. This meeting is definately serving it's purpose being there for the still suffering addict and i'm glad it gives people who normally have issues on their mind on a Saturday night a chance to live in solution. Thank you until next month.

In loving service,

Atom B.
