

# MEETING SCHEDULES

## Narcotics Anonymous

® Region 51: serving Southern Nevada

November 2008 to January 2009

Schedule changes; please e-mail [region51meetings@live.com](mailto:region51meetings@live.com)  
Next deadline 01/10/2009

We are a non-profit fellowship or society of men and women for whom drugs had become a major problem...who meet regularly to help each other stay clean. We are not affiliated with any other organizations; we have no fees or dues, pledges to sign, no promises to make to anyone. Our only promise is freedom from active addiction; our only goal is that no addict seeking recovery need ever die.

## Information about NA Narcotics Anonymous

Narcotics Anonymous is an international, community-based association of recovering drug addicts with more than 40,977 weekly meetings in 116 countries.

Program: NA's earliest self-titled pamphlet, known among members as "the White Booklet," describes Narcotics Anonymous as "a nonprofit fellowship or society of men and women for whom drugs had become a major problem . . . who meet regularly to help each other stay clean... We are not interested in what or how much you used... but only in what you want to do about your problem and how we can help." Membership is open to any drug addict, regardless of the particular drug or combination of drugs used. When adapting AA's First Step, the word "addiction" was substituted for "alcohol," thus removing drug-specific language and reflecting the disease concept of addiction.

There are no social, religious, economic, racial, ethnic, national, genders, or class-status membership restrictions. There are no dues or fees for membership; while most members regularly contribute small sums to help cover expenses, such contributions are not mandatory.

Narcotics Anonymous provides a recovery process and support network inextricably linked together. Narcotics Anonymous states that one of the keys to its success is the "therapeutic value" of addicts working with other addicts. Members share their successes and challenges in overcoming active addiction and living drug-free productive lives through application of the principles contained within the Twelve Steps and Twelve Traditions of NA. The core of the Narcotics Anonymous recovery program is the Twelve Steps, which include admitting there is a problem, seeking help, engaging in a thorough self-examination, confidential self-disclosure, making amends for harm done, and helping drug addicts who want to recover. Central to the program is an emphasis on what is referred to as a "spiritual awakening," emphasizing its practical value, not its philosophical or metaphysical import. Narcotics Anonymous itself is non-religious and encourages each member to cultivate an individual understanding, religious or not, of this "spiritual awakening." Narcotics Anonymous is not affiliated with other organizations, including other Twelve Step programs, treatment centers, or correctional facilities. As an organization, NA does not employ professional counselors or therapists. Narcotics Anonymous has no residential facilities or clinics, and does not provide vocational, legal, financial, psychiatric, or medical services. NA has only one mission: to provide an environment in which addicts can help one another stop using drugs and find a new way to live.

Narcotics Anonymous encourages its members to observe complete abstinence from all drugs, including alcohol. It has been the experience of NA members that complete and continuous abstinence provides the best foundation for recovery and personal growth.
